

Industry Based Learning Program

Job Description

Job Title	Medical Affairs IBL	Dept	Pharmaceuticals
Line Manager Job Title	Country Medical Director	Location	Auckland

Key Responsibilities (10 bullet points maximum)

Describe the key deliverables to be achieved by the IBL and the ongoing responsibilities of the role

- Medical Affairs IBL works with the Medical Strategy & Operations Manager, Therapeutic Area (TA) Medical Affairs Managers (MAM) and Medical Team to deliver key medical priorities for GSK NZ
- To partner with TA medical teams to optimise key product launches and ensure flawless execution
- To partner with Medical Strategy & Operations Manager to plan and deliver operational & medical excellence priorities
- To support MAMs to implement operational and launch tactical plans, ensuring effective and timely execution
- Partner with Country Medical Director and MAMs, to track and review monthly Medical Performance
- Support others in the team and take a leadership role in delivery of projects where appropriate.
- Adherence to all GSK standards, policies, procedures and requirements

Unique selling points of the IBL role

This is a unique opportunity to gain medical affairs exposure across the GSK NZ business, with broad experience in working with cross-functional teams, based both in NZ and offshore. The focus will be on supporting the medical affairs team by planning and executing operational, medical excellence and launch priorities.

Required Skills

Describe the key skills and level of proficiency required for this IBL role

- Excellent written and oral communication skills
- Initiative and an eagerness to learn about the pharmaceutical industry
- High attention to detail, rigour and process
- Ability to quickly build strong internal and external networks and maintain relationships
- Support change and innovation
- Strategic thinking and problem solving skills
- Sound judgement and decision making skills
- Time management skills
